Service & support

All units come with a standard five years warranty, with onsite support Next Business Day. Milestone is the single point of contact for support of the XProtect VMS and Husky IVO appliances. Onsite intervention is dispatched following Milestone's support processes – hardware Service Tag information accuracy required. Subject to regional availability, dependent on Dell Technologies support network

Video Management System (VMS) information

Milestone Husky IVO appliances are preloaded with Milestone XProtect VMS, which means that they can be used with any XProtect VMS variants.
The required VMS licenses are purchased separately. The units can also be used with XProtect Essential+ with up to 8 cameras for free.
